What is today's date?

Your answer _____

How many minutes did you help with your brother?

Your answer _____

How many minutes were you outside?

Your answer _____

How many minutes did you spend on Hebrew?

Your answer _____

How many minutes did you spend on handwriting, english, etcetera?

Your answer _____

How many minutes did you spend reading - #this is IF a reading assignment was given for the day. It is also a snarky way of asking, "were you reading instead of doing Hebrew, English, programming, math, or linux assignments?"

Your answer _____

How many minutes did you spend editing papers?

Your answer _____

How many minutes did you spend doing programming, math, or linux?

Your answer _____

Did you do something else that you think deserves credit? This is where history and other 'extra' assignments should go.

Your answer _____

What chapter of Isaiah should we start with next learning?

Your answer _____

what video would you like to do next?

Your answer _____
